# THE SHACK® LEADS IN COMMUNITY SPIRIT.

AN IMPORTANT ALLIANCE

#### RadioShack Loves Yellow and Lives Green.

With thousands of small-format stores in strip mails and shopping centers across the U.S. and in Mexico. RadioShack combines the purchasing power of a national retailer with the personal touch of a neighborhood merchant. Our corporate citizenship activities reflect this through programs that support specific endeavors in the communities where we live and work by promoting global issues, such as cancer awareness, environmental responsibility, steriardship and compliance.

#### JOINING THE GLOBAL FIGHT AGAINST CANCER

The comerators of our pristant/incipic program is our partnership with LIVESTRONGS, the foundation that inspires and empowers individuals who are affected by cancer — whether they are actively finding the disease, or survivors, friends and family members. RadioShack supports the LIVESTRONG mission through fundraising, building awareness and facilitating solvocary. We achieve these goals by hamessing the power of our vast store network, our more than 34,000 associates and our connections.

#### RadioShack & LIVESTRONG

RadioShack has established a special partnership with the Lance Armstrong Foundation to support the global fight against cancer.
